OF INTEREST TO ALL VOTERS OF NYE COUNTY

PLATFORM ADOPTED BY REPUBLICANS SHOULD BE READ BY ALL VOTERS

The platform of the republican candidates of Nye county as drafted several weeks ago, should be carefully read by all voters of this county. It contains for thought, especially that part relating to the legislative candidates to labor for certain measures. For the benefit of those who have not read the platform it is reproduced herewith in full:

The republican candidates of Nye county assembled in convention, pursuant to the provisions of the primary law, offer no program that is not bulwarked with performances; makes no promises but what are for the interest of the tax payers and property owners of this county.

The past four years of republican rule in this nation has been such that we again give our hearty endorsement to the platform and candidates presented by the national republican convention. Never has the country been confronted with such problems and situations as have arisen during the last four years, and never have such problems been handled with such skill and courage. President Taft has demonstrated his fitness for the office he now holds, and for which he is a candidate for reelection, and though assailed by agitators and decried by theorists, the condition of the United States today is a tribute to his performance of every duty demanded.

The state republican platform and candidates likewise receive our unanimous endorsement.

Retrenchment in State Offices

We pledge our legislative candidates to the enactment of a measure reducing the expense of the state government to conform with the revenues of the state and prevent the further issuance of bonds to meet the deficit in the general fund.

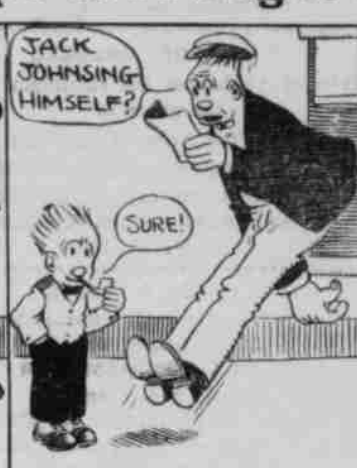

The State Bank Receivership

We pledge our legislative candidates to secure an investigation into the affairs of the long defunct State Bank and Trust company. There are hundreds of people in Nye county who lost their savings in this institution and who are not able to secure a proper report showing the

Republican national, state, county and township officers who are deserving of the support of the Nye county voters.

assets of the bank. Repeated requests have met with silence on the part of the receiver in charge and we pledge our legislative candidates to work for the passage of a resolution through both houses of the legislature, securing the appointment of a committee to conduct a public investigation of the affairs of the bank.

Good Roads

We pledge our county and legislative candidates to adopt every means whereby the roads of this county will be repaired and new thoroughfares constructed. We recognize that good roads mean that hundreds of tourists will pass through our county, and within the next few years thousands of motor driven machines will cross the continent. It is within the power of southern Nevada to provide a feasible route for the travelers, and we pledge all our candidates to secure the enactment of a proper measure that will insure the construction of a

transcontinental route through Nye county.

Primary Election Law

We pledge our legislative candidates to the enactment of sweeping amendments to the present primary law, which in its self is nothing short of farcical. We favor such amendments that will prohibit voters from flocking from one standard to another without a declaration of their political faith. We believe in the sanctity of the ballot and urge that secrecy be continued, but are opposed to the present construction of the primary law that allows fraud being perpetrated.

Free Text Books

We pledge our legislative candidates to labor for the passage of a measure providing for the furnishing of free text books by the state to the pupils attending our public schools.

BIRTHDAY PARTY IS GIVEN MRS. C. F. GRATER

The many friends of Mrs. C. F. Grater gave her a very pleasant surprise last evening, the occasion being her birthday. The table fairly groaned with good things to eat and the presents she received were beautiful and numerous. Each and every one present voted the affair one of the most pleasant occasion of their career.

AMUSEMENTS

Butler Theater

One of the largest crowds of the season attended the Butler theater last night, the attraction being "Rip Van Winkle." It was certainly enjoyed by everyone. For tonight another good program will be shown as follows: "Pathe Weekly of Current Events;" "The Hobo Club House," Lubin comedy; "The Prison Ship," a big Kalem historical drama; "Won At High Tide," a screaming comedy which will make you laugh from start to finish, and an educational picture, "Spring Log Driving, Maine." In this descriptive film a fair conception is given of the millions of feet of timber that are hewn in the lumber camps every year. The photography is splendid and the scenes abound with natural beauty and spectacular interest. A worthy successor to "Winter Logging in Maine."

Monday, "Jim Bludso" of the "Prairie Bell." From the poem of the late Secretary of State John Hay.

As only news of real value-giving makes good store advertising, it follows that a store must be able to print such news, in abundance, if its advertising is to accomplish anything.

A store that advertises must be a store of values—"bargains"—or the advertising would not pay.

ST. MARK'S CHURCH

In place of the usual service at St. Mark's church tomorrow morning at 11 o'clock a short sacred concert will be given with address by the rector.

Madame Jacobi will render some classical gems, including Raff's Cavatina and Gounod's "Ave Maria." Mrs. Zeb Kendall will contribute a song and Professor Smith will play "The Palms" on the cornet. Mrs. Robert Emmet Gilroy, who is getting up a class of adult pupils in vocal work, will sing Bartlett's beautiful song, "Lord, Be Merciful." Mrs. Gilroy, who possesses a fine soprano voice, graduated at Yankton conservatory and is well known in musical circles in Baltimore.

The man who ought to own it will come around and look over your property soon after you commence to advertise in the Bonanza.

---how much Is A "Regular Customer" Worth to Your Store?

Suppose you could BUY 100 additional REGULAR CUSTOMERS during the next week or two—customers who, for years and years to come, would make a MAJORITY of their purchases of goods in your line at YOUR STORE?

What would each of these 100 customers be WORTH to you?

It is, we think, quite likely that if such an investment were possible, you'd eagerly pay TWICE AS MUCH as it would cost you to secure these 100 REGULAR CUSTOMERS through an advertising campaign big enough and aggressive enough to really make people ACQUAINTED with your store!
